

Public Information

From: The Board of Trustees of the Porterville Public Cemetery District.

To: All taxpayers and Residents of the Porterville Public Cemetery District.

Dear Friends,

The placement of flowers on the graves of our loved one is a time honored tradition. It is an expression of love and remembrance to those who passed from this life, and is a beautiful and effective memorialization. Until recent years, fresh cut flowers were used exclusively. Today, however, we note a trend towards the use of artificial flowers. As these become dirty and unsightly, they create an impression of neglect rather than remembrance. If left on the lawn for long periods of time they create problems of care and maintenance. For this reason the following regulations were passed by the Board of Trustees.

1. Artificial flowers shall be treated the same as fresh flowers provided they are placed in vases in the base of markers. Wreaths will not be allowed in any District Cemetery, with the exception that wreaths may be put on graves for one week during the Christmas Holiday. If said flowers start to fade or deteriorate, cemetery employees will remove and dispose of them.
2. No person or persons shall place or pour any sand, gravel, rocks, cement, casting plaster, wax, or any metal of any type in vases, jars, cans or flower containers because of the hazards to expensive mowing equipment. Fences, metal hooks, umbrellas or canopies of any kind are not allowed. **Items left on graves on scheduled pick up day will be disposed of.**
3. **At no time will flowers or other items be allowed on the length of any grave.** Every reasonable effort will be made to care for the flowers and containers placed on markers, all other flowers or items that are placed or stuck in the ground around markers will be picked up and discarded according to schedule. Neither the Cemetery District nor any of its employees will be responsible for anything that may be lost, stolen, vandalized, or misplaced.
4. **4. Flowers and all other items will not be held after they are picked up.** April 1st through October 31st all flowers and other items not in vases of the marker will be picked up and disposed of as follows: Home of Peace and Porterville Cemetery every Monday, Hillcrest Cemetery every Tuesday, Vandalia Cemetery every Wednesday, and St. Anne's Cemetery every Thursday. November 1st through March 31st flowers and other items will not be picked up if said items are on the headstone. Flowers and items that are set or stuck in the ground around the headstone will be picked up. Flowers at the Springville, Duncan-McDonald, and Crabtree Cemeteries will be picked up the first working day of January, April, July, and October. Flowers and other items in the baby section will be picked up the first Tuesday of every month.
5. **5. Flowers will be left on graves one week for Easter, Mother's Day, Memorial Day, and Father's day. Christmas items will be picked up the second week of January.**

We respectfully insist that these regulations be observed. Additional questions regarding them will be answered at the District Office on the Cemetery grounds.
